

2016 Community Event Support Policies

For Homeowner and Civic Associations

The City of Rockville, Department of Recreation and Parks, offers assistance to Homeowners and Civic Associations within the City of Rockville who would like to host a community event. Although the primary responsibility for planning and coordinating the event will be that of the sponsoring organization, the City of Rockville will provide assistance with activities, amusements, supplies, publicity, and recommendations.

1. Sponsoring organizations must be a recognized City of Rockville Civic or Homeowners Association.
2. Applications are approved at the discretion of the Recreation and Parks Department. Applications from organizations must be received at least **TEN (10) weeks prior** to the date of the event. The number of supported events per week or weekend is limited, and dates are available on a first come, first served basis. Alternative dates and rain dates may be requested. Organizations should contact the City as soon as possible to confirm date availability.
3. Organizations are limited to **one** City co-sponsored event per fiscal year (July 1 – June 30).
4. Annual events are not automatically renewed. Applications and reservations must be made each year. No application will be accepted more than **twelve months prior** to the date of the event.
5. Please review the attached list of dates that are during City of Rockville sponsored events. Community events **will not** be allowed during these dates. In the event that there is a conflict with another City sponsored function/event, the organization has the option of choosing another date or requesting use of the Community Event Stipend.
6. The sponsoring organization has the responsibility for recruiting and supervising volunteers for the event.
7. The City strongly discourages organizations from charging a fee for use of equipment the City has provided. If fees are charged for fundraising purposes, the profits from these events are to be divided 50/50 between the organization and the City of Rockville Recreation Fund.
8. Organizations may elect to use **EITHER** City of Rockville provided equipment **OR** the Community Event stipend. Use of stipend will count as City sponsored function/event.
9. The stipend is available for the following uses: table and chair rental, entertainment (magicians, clowns, bands, etc.), moonbounce/inflatable rentals. Additional uses not listed may be considered on a case-by-case basis.
10. The Community Event Application must be submitted and approved by the City of Rockville before any commitment is made to the vendor. The stipend is only made payable to the vendor and not to the sponsoring organization.
11. Invoices and quotations must be sent and approved by the City of Rockville prior to the event.

12. Organizations requesting City equipment/amusements are responsible for any damages incurred during their use. A **\$150.00 check or money order must accompany the application**; checks/money orders should be made payable to the **City of Rockville**. This deposit will be held until City equipment is returned. Deposits will be returned within two weeks after the events if there are no damages. A replacement supply list will be made available if needed.
